Biography

Steve Banks is an American photographer. He got his start in advertising and freelance commercial photography in the 1960s. In the 1970s, Banks left the advertising business and began working as a unit photographer for television and feature films. He has since amassed a large body of work that includes photo essays, portraits, and fine art photography.

Collection Scope and Content Summary

The Steve Banks photographs span the years 1977-1999 and encompass 4.3 linear feet. The collection consists of more than 1,000 items, including black-and-white prints and color and black-and-white slides. The material is comprised of biography portraits of motion picture artists, technicians, and craftspeople.
