Collection Scope and Content Summary
The Donald Gledhill animation project collection spans the years 1936-1949 (bulk 1937-1940) and encompasses 1.5 linear feet. The collection consists entirely of material gathered by Gledhill in the late 1930s for an introductory book on the mechanics of animation. There are animation cels, sketches, and drawings for the never-realized book whose working title was "How to Make Animated Cartoons."
Arrangement
Arranged in the following series: 1. Production files; 2. Subject files.
