California, Berkeley

Biography
William Keith was born in Scotland in 1838. He emigrated with his parents to the United States where he became an
apprentice to an engraver. In 1859 he came to California, became fascinated with its landscape and began to sketch and
paint what he saw. His work proved to be popular and his reputation was soon established. The resulting financial success
allowed him to study abroad several times. He produced hundreds of landscapes and portraits during his career, and his
home in Berkeley became a meeting place for university professors, writers and artists. When his San Francisco studio was
destroyed in the 1906 earthquake and fire, Keith began at once to replace the almost 2000 paintings which had been lost.
He continued to work until a few months before his death which occurred on April 13, 1911.

Keith's second wife was Mary McHenry, daughter of John McHenry, a prominent San Francisco judge. Born in 1855, she
graduated from San Francisco Girls' High School in 1875 and received a Bachelor of Arts degree in 1879 from the University
of California at Berkeley. In 1882 she received a Bachelor of Law degree from Hastings College of Law, becoming the first
woman graduate of that institution. She practiced law only briefly before marrying William Keith in 1883. Mrs. Keith was an
early advocate of woman suffrage. She was an active member of many suffrage groups, including the National Equal
Suffrage Association, National Woman's Party, Club Women's Franchise League of California and the College Equal Suffrage
League, and was president of the California Equal Suffrage Association. In addition, she was an officer of the Society for the
Prevention of Cruelty to Animals and a trustee of the Latham Foundation for the Promotion of Humane Education. The years
from her husband's death in 1911 to her own in 1947 were also spent preserving and exhibiting her sizable collection of
Keith paintings.

Charles Fremont Pond was born in Connecticut in 1856. He graduated from the U.S. Naval Academy at Annapolis in 1876. In
1880 he married Emma McHenry, sister of Mary (McHenry) Keith. His naval career spanning over forty years, he became a
rear admiral in 1912 and retired in 1918. He died in Berkeley in 1929.

Elizabeth Keith Pond, daughter of Charles Fremont Pond, was born in 1886. She studied art under Keith and began to
collect material about him which she later used to compile a William Keith Miscellanea. She was a lifelong camper, skier,
and hiker. After her father's retirement, they took long hikes throughout the high Sierra and other places in northern
California. In 1945 she founded the Keith Art Association which was dedicated to promoting the appreciation, conservation
and exhibition of Keith's paintings. She died in 1955 in her Berkeley home.

Scope and Content
The Keith-McHenry-Pond Collection consists of the correspondence and papers of William Keith, his wife, Mary (McHenry)
Keith, her father, John McHenry, her mother, Ellen Josephine (Metcalfe) McHenry, her sister, Emma (McHenry) Pond, her
brother-in-law, Charles Fremont Pond, her niece Elizabeth Keith Pond and other family members.

These Keith family papers were given to The Bancroft Library by Mary McHenry Keith with numerous additions by Elizabeth
Keith Pond and her estate from 1950 to 1956. Papers of Inez (Henderson) Pond, Charles F. Pond's daughter-in-law, were
added by her daughter Mary Virginia (Pond) Culbertson in 1961. The collection relates to the careers and other activities
and interests of various members of the Keith, McHenry, Pond and related families.

The key to arrangement which follows describes the collection in greater detail.
