Physical Description: ca. 34,000 negatives (film), ca. 1938-December 1951.

Arrangement

Negatives are arranged by code numbers assigned chronologically. Large numbers of images are present in the files that have not been described at all. Others, of moderate interest, were briefly summarized below and appear as bulleted text. Some of this text is expanded upon in detailed descriptions for selected subjects.

Images of known date which are not listed below may be retrieved by requesting the appropriate box and physically browsing the files.

Negatives should be requested for use in the reading room of The Bancroft Library by call number, "Part 2", box number, and code number plus sleeve and item number. (For example: BANC PIC 1959.010-NEG, Part 2, Box 151, 140442.2:4)

For more detailed background information, see:
Arrangement, Part 2
Guide to Descriptive Text and Searching, Part 2

1943 or previous (no date) BANC PIC 1959.010--NEG, Part 2, Box 153, [140000-140014]

Part 3, General File (1951-1965)

Physical Description: ca. 195,000 negatives (film), December 1951-September 1965.
Arrangement
Negatives are arranged by date. Descriptions below are divided by month, and are of selected negatives only. Large numbers of images are only briefly mentioned or have been passed over entirely. Brief entries below are presented as bulleted text, and some of these entries have been selected as high interest subjects and followed by more detailed description.
Images of known date which are not listed below may be retrieved by requesting the appropriate box and physically browsing the files.
Negatives should be requested for use in the reading room of The Bancroft Library by call number, "Part 3", box number, and date plus sleeve and item number. (For example: BANC PIC 1959.010-NEG, Part 3, Box 2, 01-10-52.2:4)
For more detailed background information, see:
Arrangement, Part 3
Guide to Descriptive Text and Searching, Part 3

Precedes 1951 BANC PIC 1959.010--NEG, Part 3, Box, [000051-000051]
Physical Description: 125 negatives (estimate)
