| 139746_05 | 1965-11-04 | **Cops solve hit and run death by means of a feather.** 
Creator/Collector: Murphy, Eddie 
Scope and Content Note: After six days of work Inspectors Telfred Slettvedt and Harvey Doctor found that hit and run victim, who was found dead on the street, had actually fallen out of a window three blocks from where he was found. He had staggered three blocks before he died of multiple injuries. They found an inch long chicken feather on one of his hands which helped them end the case. |
