**Remarks:**

For a history of the Composers' Forum, see the statement by Jane Hohfeld Galante (next pages). The organization of materials in this inventory (items 31 to 53) is by calendar year, not by the concert season year. To have done otherwise would have created much confusion. It was not possible to isolate the financial materials, because much of the correspondence, reports, and agendas relate to the finances of the organization.

**Scope and Content**

The collection contains Music and business papers: programs, newspaper reviews, announcements, scrapbooks, agendas of meetings, reports, membership lists, financial statements, correspondence, etc.
