Collection Summary

Collection Title: Records of the College of Agriculture, University of California,
Date (inclusive): 1881-1945
Collection Number: CU-20
Extent: 30 boxes, 73 v. (ca. 35 linear ft.)
Berkeley, California 94720-6000
Physical Location: For current information on the location of these materials, please consult the Library's online catalog.
Languages Represented: English

Access
Collection is open for research.

Publication Rights
Copyright has not been assigned to The Bancroft Library. All requests for permission to publish or quote from manuscripts must be submitted in writing to the Head of Public Services. Permission for publication is given on behalf of The Bancroft Library as the owner of the physical items and is not intended to include or imply permission of the copyright holder, which must also be obtained by the reader.

Preferred Citation
Scope and Content
Contains correspondence of the Office of the Dean of the College, 1912-23 (Thomas Forsyth Hunt); orchard and seed books; files of various individuals connected with the College; printed materials.
Also includes correspondence files of the director of the Experiment Stations, 1912-1924 (T. F. Hunt, Herbert J. Webber, Clarence M. Haring); correspondence files and letterpress copy books of the Agricultural Experiment Station viticulture division and of various substations, 1881-1915; letterpress copy books concerning Farmers' Institutes of the Agricultural Extension Service, 1889-1906.
