Descriptive Summary

Title: Special Maps Collection

Dates: 1857-1966

Collection Number: GC 1280

Extent: (Boxes: 19 boxes, 2 ov folders)

Repository: Seaver Center for Western History Research, Natural History Museum of Los Angeles County

Los Angeles, California 90007-4057

Abstract: Includes maps other than street and road maps. Specialized charts, diagrams and maps pertaining to topography, soil condition, mines and minerals locale, building renderings, city planning and real property; maps published by the National Geographic Society, the United States Forest Service and the National Park Service; and strip maps published by the Automobile Club of Southern California and several other automobile associations. Geographic concentration is Los Angeles and California (particularly for real estate and strip maps), however other state maps are available, especially pertaining to topography, mines and minerals. There are some foreign maps.
