Access

Research is by appointment only

Publication Rights

Permission to publish, quote or reproduce must be secured from the repository and the copyright holder

Preferred Citation

Case Art Collection. Seaver Center for Western History Research, Natural History Museum of Los Angeles County

Scope and Content of Collection

Daguerreotypes, ambrotypes, and tintypes from various accessions. Majority of items are unidentified. Most, but not all, are in cases. See also other collections for early photographs, as many case art items were re-housed into their original collections, such as the Coronel and Del Valle collections. ca. 1842-1939, undated
