**Publication Rights**

Permission to publish, quote or reproduce must be secured from the repository and the copyright holder

**Preferred Citation**

Krug Photograph Collection. Seaver Center for Western History Research, Natural History Museum of Los Angeles County

**Scope and Content of Collection**

A photograph album containing images related to the production of the film "The Four Horsemen of the Apocalypse", circa 1920 and family photos possibly at Lake Arrowhead. Also photographs of a bra factory, circa 1940, motion picture sets and a souvenir of the Balloon Route Trolley Trip, Los Angeles, 1916. 1916-ca. 1940 [The album is in poor condition. The photographs from the first half of the album were detached and re-housed in folders. These include the film sets. The remaining photographs were not removable; these photos are primarily of family members.]
