Publication Rights
Researchers wishing to publish material must obtain permission in writing from ONE National Gay & Lesbian Archives as the physical owner of the material. Note that permission to publish does not constitute copyright clearance. ONE National Gay & Lesbian Archives can grant copyright clearance only for those materials for which we hold copyright. It is the responsibility of the researcher to obtain copyright clearance for all other materials from the copyright holder(s).
Access
The collection is open to researchers. There are no access restrictions.
Processing Information
Photographs across the first 29 pages were often missing, loose, or threatening to come loose. Those photographs not firmly glued to the pages were reshoused in archival sleeves and all metadata, including the page number from which it was pulled, noted with the photograph. For easier reference, blank pages in the album have been page numbered by the archivist.
Processing this collection has been funded by a generous grant from the National Endowment for the Humanities.
