Abstract: Photocopies of administrative records, 1978-1985, of Senior Action in a Gay Environment (SAGE), including documents from SAGE co-founder Douglas C. Kimmel. SAGE was founded in 1978 with the purpose of promoting the general welfare of older people in the gay and lesbian community in New York City.
Administrative History
Senior Action in a Gay Environment (SAGE) was founded in 1978 in the Greenwich Village neighborhood of New York City, with the purpose of promoting the general welfare of older people in the lesbian, gay, bisexual, and transgender (LGBT) community. SAGE’s founders sought to create a network of support and services that included a visiting program for older LGBT adults, a drop-in center, support groups for people living with HIV/AIDS, and a municipally-funded caregiver respite program for LGBT elders. As of 2014, SAGE has 27 affiliates throughout the United States and engages in advocacy work on behalf of older people in the LGBT community.
