Acquisition Information
This collection was created by Mission Viejo Library staff, with assistance from the Mission Viejo Heritage Committee, from 2005-2008 as part of Local History Digital Resources Project grants from the California State Library.
Project Information
These photographs, slide, brochures, and other original materials were assembled by the Mission Viejo Heritage Committee and the Mission Viejo Library, and digitized as part of an ongoing grant-supported project from October 2005 through June 2008 in order to provide a single access point to primary graphic resources documenting the history of Mission Viejo. It was supported by the California Digital Library under the provisions of the Library Services and Technology Act, administered in California by the State Librarian.
