Title: Clurman W. Bibb Personal Collection
Identifier/Call Number: SDASM.SC.10016
Contributing Institution: San Diego Air and Space Museum Library and Archives
Language of Material: English
Physical Description: 0.92 Cubic feet This is a two box collection, both with measurements of 15 ¼ x 10 ½ x 5 inches.
Date (inclusive): 1925-1999
Abstract: Clurmann W. Bibb worked in aviation in companies such as North American and Ryan Aeronautical. This collection contains scrapbooks which document his life. Clurman Bibb had an extensive career in California, working at North American Aviation, Ryan Aeronautical, Northrop Aircraft, and Douglas Aircraft for over thirty years. The majority of his work involved project, design, and research engineering, especially for cockpit and cabin interior design, furnishings and equipment installation, mechanical design problems in aircraft, and human factors and human engineering studies. He wrote procedures, designed engine maintenance, and supervised equipment installation.
Biographical/Historical note: Clurman Bibb had an extensive career in California, working at North American Aviation, Ryan Aeronautical, Northrop Aircraft, and Douglas Aircraft for over thirty years. The majority of his work involved project, design, and research engineering, especially for cockpit and cabin interior design, furnishings and equipment installation, mechanical design problems in aircraft, and human factors and human engineering studies. He wrote procedures, designed engine maintenance, and supervised equipment installation.
