Biographical / Historical

History
Paul H. Hebner, born in Alameda, California in 1956, graduated from New York University in 1988. He has been a professional writer for 32 years. He is the son of a U.S. Navy aviator/crewmember on a Martin Mariner PBM-5 flying boat who served during the Korean conflict. The Mariner/Marlin Association Newsletter publishes material and memoirs documenting the history of the Navy’s two seaplanes, the Mariner (active during WW2 and the Korean conflict) and the Marlin (used in one 1967 engagement in the Vietnam War).

Conditions Governing Access
The collection is open to research.

Separated Materials
Note: Separated Materials Issues of the Mariner/Marlin Association Newsletter are stored in the Museum Library, Annex. Tube of historic aircraft prints and an original troubleshooting chart for a Martin Mariner were transferred to the Curatorial Department.
