Biographical/Historical note  
William Freeman Myrick Goss (born c. 1828 in Massachusetts) came to Santa Barbara as early as 1866, according to voter registration records. (He is not to be confused with his nephew of the same name, born in 1857 who became Dean of Engineering at Purdue University.) He married Etta May Marcy (b. 1862), daughter of Hannah Chapman Marcy (b. 1834) and William C. Marcy (b. 1822). The Marcys lived in Washington state before moving to Santa Barbara, which may have been as early as 1875. Their descendants and other relatives continued to live in Santa Barbara until their deaths.  
Scope and Contents note  
This album contains photographs from the late 1800s of the families of William Freeman Myrick Goss and Hannah Elizabeth Chapman Marcy. The earliest photograph is dated 1872, but several tintypes or daguerrotypes may have been taken earlier.
