Article Clippings (Vertical Files) Collection, circa 1880 - present. Autry National Center
Acquisition Information
Materials for this collection were acquired by Southwest Museum and Library staff or through various Library donations.
Biography/Administrative History
Materials for this collection were acquired by Southwest Museum and Library staff or through various Library donations. The donations include some of the Library's earliest donors, such as Charles Fletcher Lummis, Joseph Amasa Munk, and George Wharton James. This is an open collection and new materials added are predominately in the English language. When deemed appropriate, individual items from this collection have been or will be moved to another manuscript collection or cataloged individually and added to the monograph collection.
Scope and Content of Collection
The collection is also referred to as the "Vertical Files Collection" and consists of published articles from newspapers, magazines, and academic journals. It also includes government documents and newsletters. Materials date back from the late 19th Century to present day. The subjects and people the articles pertain to reflect the different areas of study found in the Braun Research Library and Southwest Museum collections. Subjects such as, Indians of North America, Archaeology, Ethnography, California history, Los Angeles history, and the development of the Western United States are included. For a full list of subjects and people covered in this collection, please contact Braun Library staff to obtain a copy of the collection's subject and biography indices. The collection predominately consists of English language material from the United States. There are a few items from Germany, Mexico, South America, Central America, and Spain.
