Biography / Administrative History
Raven Grey Eagle, real name Andy Florio, was a musician, actor and stunt man. He portrayed Native Americans in numerous television roles. Though he was a convincing Native American, it is likely he was Italian American. He was also a professional drummer and played a Native American drummer for many television shows. The Native American culture interested him and he hand-crafted Native American clothing, tools and weapons. Often Raven Grey Eagle used these hand crafted items for props in his television roles.
