Abstract: This collection contains records created by a variety of LMU departments and outside sources to prepare the campus for the 1984 Summer Olympics.

Scope and Contents
This collection documents the activities of the various departments across LMU that worked together to prepare the campus for the 1984 Summer Olympic. It includes documents related to budgets, legal, community relations, public relations, security, facilities, housing, and campus functions (parking, deliveries, staff schedules). It also includes materials from the Los Angeles Olympic Committee, the Los Angeles Olympic Organizing Committee, LMU campus committees, the University Venue Consortium, and the venue development plan.
