Conditions Governing Access
Advance notice required for access.

Conditions Governing Use
Permission to publish, quote, or reproduce must be secured from the repository and the copyright holder.

Preferred Citation
[Box/folder# or item name], Crest Associates Records, Collection no. 0042, Special Collections and University Archives, University Libraries, Pepperdine University.

Immediate Source of Acquisition
The collection was given to Pepperdine University Libraries in 2007 by the Crest Associates Office.

Historical note
The Crest Associates is a Pepperdine University support group comprised of community friends and donors. The group supports the University and its mission by bringing the local community and the university closer through community outreach projects, academic programs, scholarships, faculty support, and events.

Scope and Content
The Crest Associates is an organization dedicated to supporting the Pepperdine community and bringing the school community together with the population of the surrounding areas. The Associates sponsors programs the Crest Lecture Series, which are free lectures given by Pepperdine professors and open to the public. Series One: Audiovisual Materials includes 8 videocassettes and 2 betatapes from past Crest Lecture Series dating from 1997 to 2003. Series Two: Photographs includes photographs from various Crest Associates events from 1985 to 2007.

Processing Information note
The collection was arranged and described by Katie Richardson and Catie Golitzin in February 2012. It was updated by Kelsey Knox in June 2015.

Benton, Andrew K.
Pepperdine University
Zakian, Michael
Davis, Stephen D.
Martin, Karen
box 1 Audiovisual Materials 1997-2003

box 1 El Niño and the Malibu Ecology 1997 November 18
Scope and Content
In the video, Christopher Nance, Steve Davis, Lee Kats, and Karen Martin examine the effects that El Niño might have on the flora and fauna of Malibu and the Santa Monica Mountains.

box 1 Heritage of Faith 2003 April 15
Scope and Content
In the video, Andrew K. Benton and Pepperdine students discuss various topics, including international programs and the Drescher campus.

box 1 Legacy of the Chumash 1998 March 10
Scope and Content
The lecture, given by Holly Love, discusses the prehistory of the Chumash Indians and how they adapted to their environment with major inventions like the planked canoe and the shell fishhook. She also discusses their rich spiritual life, which developed from their life as fisherman and the abundance of their food supply.

box 1 Rodin's Search 2001 March 22
Scope and Content
Michael Zakian, leads a tour of the exhibition Rodin's Obsession: The Gates of Hell which was on display at the Frederick R. Weisman Museum of Art. He discusses why the artist is considered to be the greatest sculptor since Michelangelo.

box 1 Values of University Life: From the University of Paris to Pepperdine University 1998 April 16
Scope and Content
In the lecture, Kevin Starr compares and contrasts international education systems with those in the United States.

box 1 Why Is Islam Different? 2003 April 14
Scope and Content
In the lecture, James Q. Wilson analyzes Islam, which was once the greatest civilization in the world and is now just a shadow of its former self. Wilson credits many reasons for the change, but most of them begin with deciding what relationship religion plays in politics.
