**Descriptive Summary**

**Title:** Russian Maps of Foreign Countries

**Dates:** 1958-1992 (Bulk 1963-1974)

**Collection Number:** MC/02

**Creator/Collector:**

**Extent:** 1 linear foot (1 box); 64 items

**Repository:** California State University, Northridge. Oviatt Library Map Collection  
Northridge, California 91330

**Abstract:** The Russian Maps of Foreign Countries Collection includes more than 60 maps of various countries produced by the Soviet Union government during the height of the Cold War. National maps portray statistical, agricultural, industrial, climate data, and show major roads and cities. Relief is shown by shading and gradient tints. The bulk of the collection dates from the late 1960s to the early 1970s.

**Language of Material:** Russian

**Access**

Collections are open for research. Viewing hours may be limited.

**Publication Rights**

Please contact the repository for publication information.

**Preferred Citation**

Russian Maps of Foreign Countries. California State University, Northridge. Oviatt Library Map Collection

**Acquisition Information**

The collection was acquired and developed by faculty from the Geography Department while conducting research in the Soviet Union.

**Scope and Content of Collection**

The Russian Maps of Foreign Countries Collection includes maps of countries from North America, South America, Europe, Africa, Asia, and Oceania (New Zealand). The geographic emphasis of the collection focuses on Russian maps of countries from Europe and Africa. Maps are folded and bound within small booklets and generally include legends and smaller insets. Scales and color vary.
