Title: Fine Press Prints, Broad­sides, and Ephemera Collection

Creator: California State University, Northridge. University Library

Identifier/Call Number: SC.FPE

Extent: 1.93 linear feet

Date (inclusive): 1934-2010

Date (bulk): 1975-1993

Abstract: The Fine Press Prints and Broad­sides Collection consists of broad­sides, book prospectuses and other printed ephemera sent to the library from various fine art printing presses and printers in the United States.

Language of Material: English

Historical Note:

The library created this collection of materials for study and research.

Scope and Contents

The *Fine Press Prints, Broad­sides, and Ephemera Collection* consists of broad­sides, book prospectuses and other printed ephemera sent to the library from various fine art printing presses and printers in the United States. This collection is arranged alphabetically by publisher.

Conditions Governing Access:

The collection is open for research use.

Conditions Governing Use:

Copyright for unpublished materials authored or otherwise produced by the creator(s) of this collection has not been transferred to California State University, Northridge. Copyright status for other materials is unknown. Transmission or reproduction of materials protected by U.S. Copyright Law (Title 17, U.S.C.) beyond that allowed by fair use requires the written permission of the copyright owners. Works not in the public domain cannot be commercially exploited without permission of the copyright owners. Responsibility for any use rests exclusively with the user.

For information about citing items in this collection consult the appropriate style manual, or see the [Citing Archival Materials](#) guide.
