Title: *Los Angeles Record* "Heroes of Health" Articles Collection

Creator: Los Angeles Record

Identifier/Call Number: SC.LAHH

Extent: 0.20 linear feet

Date: 1933

Abstract: This collection consists of three articles from 1933 published in the *Los Angeles Record* as part of a series written by Rodney Dutcher called "Heroes of Health." In the series, Dutcher sought to illuminate the efforts of the United States Public Health Service to combat infectious diseases in America, with each article focusing on the story of a particular disease, including parrot fever (psittacosis), tularemia, and Rocky Mountain spotted fever.

Language of Material: English

Historical Note:

The *Los Angeles Record* was a daily newspaper founded by Edward W. Scripps in 1895. The newspaper ceased publication in 1933.

Scope and Contents

The '*Los Angeles Record*' "*Heroes of Health*" *Articles Collection* consists of three articles from 1933 published in the *Los Angeles Record* as part of a series written by Rodney Dutcher called "Heroes of Health." In the series, Dutcher sought to illuminate the efforts of the United States Public Health Service to combat infectious diseases in America, with each article focusing on the story of a particular disease, including parrot fever (psittacosis), tularemia, and Rocky Mountain spotted fever.
