Acquisition Information
This collection was created by Orange Public Library staff, largely from local donations.
Project Information: Historic Orange Online

These items were assembled from the local history collection in the Orange Public Library and digitized as part of a one-year project funded by the Library Services and Technology Act (LSTA) from October 2002 through September 2003. In addition to general local history, special focus was placed on three specific areas; Citrus Industry, Old Towne Historic Area (and Plaza), and Eichler Homes.

The project web site can be viewed online.
