Scope and Contents note
Six original letters from various authors. Three of the letters are written in French. All the letters relate to the publishing of the book "The German Army in the Field, March 1915" which was compiled by the General Staff of the War Office, London, 1915(?).
Letter 1: Written by George Frederick Charles Searle (1864-1954), a noted physicist, at Cambridge. This letter is filled with mathematical equations proposing revisions to a book on optics. This letter is dated 16 June, 1912.
Letter 2: This letter is written by W. Atedley on April 30, 1915, thanking the recipient for their hard work on research for the book.
Letter 3: This letter is written in French and signed by Lt. Col. P. Wallner, head of French Intelligence at Folkestone, on April 26, 1915. This letter mentions the book "German Forces in the Field".
Letter 4: This letter is written in French and signed by Col. Weygaud on April 27, 1915. This letter also mentions the book "The German Forces in the Field March 1915."
Letter 5: This letter is written in French and signed by Cl Refoulez(?), April 29, 1915.
Letter 6: Dated only May 14, this letter is signed B.T. Buckley on war office stationary and expresses gratitude and congratulations that the recipient’s "magnum opus" had been published and that it was very readable and lauded by other professors.
E-mail printout: Detailing the only known provenance for the letters
