Conditions Governing Access
Advance notice required for access.

Conditions Governing Use
Unpublished manuscripts are protected by copyright. Permission to publish, quote, or reproduce must be secured from the repository and the copyright holder.

Preferred Citation
<Box/folder# or item name>, California State Polytechnic University, Pomona University Archives Oral History Collection, Collection no. 0023, University Archives, Special Collections and Archives, University Library, California State Polytechnic University, Pomona.

Immediate Source of Acquisition
The materials in the collection were gathered from University Archives files.

Scope and Contents
The collection contains interviews conducted by faculty, staff, and students from Cal Poly Pomona about the history of the university, including interviews about the Voorhis School for Boys and the Voorhis Unit in San Dimas, which were on the land that eventually became the first campus of Cal Poly Pomona; the development of the Kellogg campus in Pomona; the hiring of the first female faculty members at Cal Poly Pomona in 1957; the Cal Poly Women's Club; and the university's athletics programs. The interviews are on various formats including 1/4 inch audio tape, audiocassette, compact disc, and in written form as transcripts. Some of the interviews were combined with other interviews in this collection when they were duplicated onto other formats.

Arrangement
The collection is arranged alphabetically by folder title.

Scope and Contents

Dr. Larry Goldman was a professor of psychology at Cal Poly Pomona until 2013. His research focus was physiological psychology. The interview was conducted by Cal Poly Pomona student Elizabeth Lloyd for a history class project (HST 391S Introduction to Public and Applied History).

Griffin, James M. 1975

Physical Description: (Report with transcript of interview and one 1/4 inch audio tape)

Scope and Contents

James M. Griffin was a student at the Cal Poly Voorhis Unit, Cal Poly's first southern campus in San Dimas. He also taught in the Ornamental Horticulture department at the Voorhis Unit and, later, the Kellogg Campus until 1969. In addition to his teaching responsibilities, Griffin was responsible for Cal Poly's annual Rose Parade float entry from 1949 to 1956. The interview was conducted by student Guy E. Cloutman, Jr.
Haber, Zelma 2004 February 20

Physical Description: (Two audiocassettes)
Scope and Contents
Zelma Haber was married to Ernie Haber, a graduate of the Voorhis School for Boys. That school was in San Dimas and was on the land that eventually became the Voorhis Unit when the land was donated to Cal Poly in 1938. Haber discusses the school in an interview with Danette Cook Adamson, former Special Collections librarian at Cal Poly Pomona.

Haefer, Don 1960 February 18

Physical Description: (Two 1/4-inch audio tapes, two compact discs, and one audiocassette)
Scope and Contents
Don Haefer was a former student at the Voorhis School for Boys. The interview was conducted by student Robert Beall for his senior project.

Hobbs, Kenneth 1960 February 20

Physical Description: (Report and interview transcript)
Scope and Contents
Kenneth Hobbs taught agricultural biology from 1950 to 1976. The interview was conducted by student Andrew Cabancungan in 1975.

Hobbs, Kenneth 1975

Physical Description: (Two 1/4 inch audio tapes and one cassette)
Scope and Contents
Kenneth Hobbs taught agricultural biology from 1950 to 1976. The interview was conducted by student Robert Beall for his senior project.

Holtz, Walter B. 1966

Physical Description: (One 1/4 inch audio tape and a report with interview questions)
Scope and Contents
Walter B. Holtz was head of the Mechanical Engineering department at Cal Poly Pomona, when it was known as Cal Poly Kellogg-Voorhis. He came to Kellogg-Voorhis from San Dimas in 1957 to assist in the formation of the engineering department. The interview was conducted by student Richard M. Francisco for his senior project.

Jackson, Stan 2002 February 4

Physical Description: (Two audiocassettes)
Scope and Contents
Stan Jackson was a former football player at Cal Poly Pomona and later became a professor in the Department of Kinesiology and Health Promotion. He also coached multiple sports during his 34-year tenure at Cal Poly Pomona. The interview was conducted by Lynne Emery, former professor in the Department of Kinesiology and Health Promotion at Cal Poly Pomona.

Jones, Cecil 1972 April

Physical Description: (Two 1/4 inch audio tapes)
Scope and Contents
Cecil Jones served as assistant business manager at Cal Poly. He administered the fiscal affairs for the Voorhis Unit in San Dimas from San Luis Obispo's business office. Jones later served as Director of Business Affairs for the Kellogg-Voorhis Unit.
Kaufman, Louis 1972 March 7
Physical Description: (Two 1/4 inch audio tapes)
Scope and Contents
Dr. Louis Kaufman was the first dean of the School of Business at Cal Poly Pomona after it split from the School of Arts in 1968.

La Bounty, Hugh 1966 April 11
Physical Description: (Two compact discs, one 1/4 inch audio tape, one audiocassette, and a report with interview questions)
Scope and Contents
At the time of the interview, Hugh La Bounty was executive dean of planning and development at Cal Poly Kellogg-Voorhis. He later served as president of Cal Poly Pomona from 1978 to 1991. The interview was conducted by student Sharon Sforzini Grant for her senior project.

Lamiman, John F. 1966
Physical Description: (One 1/4 inch audio tape and a report with interview questions)
Scope and Contents
John F. Lamiman joined the Cal Poly Voorhis Unit in San Dimas in 1946 and taught in the Biological Sciences department, retiring in 1966. He also served as head of the Biological Sciences Department. The interview was conducted by student Richard M. Francisco for his senior project.

Maurer, Robert circa 1977
Physical Description: (One report and interview transcript, a report with interview questions, three 1/4 inch audio tapes, and two audiocassettes)
Scope and Contents
Robert Maurer held various faculty and administrative positions over the years, both at Cal Poly San Luis Obispo and at the southern Kellogg Campus. He served as a psychology professor, dean of Arts and Sciences and dean of Graduate Studies. The interview was conducted by student Victor Ritter for his senior project.

McCorkle, Chester O. 1973 March 5
Physical Description: (Two audiocassettes, five 1/4 inch audio tapes)
Scope and Contents
