Preferred Citation

[Identification of item], Joint Interim Committee on Agriculture and Livestock Problems/Senate Fact-Finding Committee on Agriculture Records, LP179, California State Archives.

Contents

The subject files of the above two committees relate directly and indirectly to the various hearings held by the committees during their respective periods of activity. Where possible subject files have been placed with the specific hearing or hearings to which they directly relate. The remainder, as described below, are more general files, which because of the diversity of content and span of years covered, are best described separately.

File contents include letters received and copies of letters sent; memoranda; Committee Executive Secretary's correspondence, notes; summaries, and reports; reports; background studies; Legislative Counsel and legal opinions; minutes; newsletters; newspaper clippings; press releases; resolutions; speeches and addresses; and various publications and other printed materials constituting background information and data for Committee use. File contents vary widely
depending on subject matter.

1. AGRICULTURAL AIRCRAFT. 1948-56.
   Physical Description: 1 f.
   Scope and Content Note
   Proceedings and recommendations of the State-Wide Conference on Agricultural Use of Aircraft, Feb. 8-9, 1949; regulation of crop dusters and operations of aircraft used in agriculture.

2. AGRICULTURAL AIRCRAFT ASSOCIATION. 1954-63.
   Physical Description: 4 f.
   Scope and Content Note
   Information Bulletins and other records of the Association related to compliance with Department of Agriculture regulations with respect to handling and application of agricultural chemicals, aircraft safety training and general operations of aircraft used in agriculture.

3. AGRICULTURAL INSPECTORS. 1956.
   Physical Description: 1 f.
   Scope and Content Note
   Shortage of County Agricultural Inspectors due, in part, to low salaries.

4. AGRICULTURAL RESEARCH STUDY COMMISSION, GOVERNOR'S. 1946-49.
   Physical Description: 1 f.
   Scope and Content Note
   First through Third Reports and summary of presentations, resolutions and recommendations made at Commission hearings from growers, processors and distributing agencies with respect to needed or more concentrated research on agricultural problems.

5. ARTIFICIAL INSEMINATION. 1951-54.
   Physical Description: 1 f.
   Scope and Content Note
   Necessity to regulate and/or license artificial inseminators.

   Physical Description: 1 f.
   Scope and Content Note
   Progress and other reports on operations of control program, budgetary projections, and periodic outbreaks in the San Joaquin and Imperial valleys.

7. CONTAINERS. 1960-63.
   Physical Description: 1 f.
   Scope and Content Note
   Industry Container Standardization Committee - appointments to and legislative proposals amending Agricultural Code with respect to container sizes, pack, markings, etc., for fruits, nuts and vegetables, and to transfer to the Department of Agriculture authority for regulation of standards.

Physical Description: 5 f.
Scope and Content Note
Committee and Executive Secretary's correspondence regarding hearing schedules and subject matter thereof; committee appointments and resignations; constituents views on subjects which should be heard by the committee, on proposed/pending legislation; and views on various agricultural matters; and misc. chairman's speeches (ca. 1960-62).

Folder LP179:110. 9. DRUG AND OIL PLANT DEVELOPMENT. 1946, 48.
