Date (inclusive): 1850-1901

Abstract: These are the papers of Mr. Fred H. Miller Lewis. He wrote to his family about his life in California throughout the Gold Rush era and afterwards into the 1860s.

Scope and Contents

These are the papers of Mr. Fred H. Miller Lewis. He wrote to his family about his life in California throughout the Gold Rush era and afterwards into the 1860s. There is a certificate about his death by the Freemasons. Mr Miller was a special agent for Wells Fargo and Co and many of the letters are written from San Francisco and the majority of the later letters were addressed from "Walla Walla Washington Territory". The bulk of the letters are in good condition and the hand writing is clear and legible.
