Abstract: This collection consists of records from the San José State University Institute for the Study of Sport, Society, and Social Change.

Biographical / Historical
The San José State University Institute for the Study of Sport, Society, and Social Change was established in 2017 at San José State University. It is dedicated to research, analysis, and education at the intersection of sport and society. The institute's goals include encouraging, creating, and facilitating interdisciplinary collaboration in highlighting the significance of sport as a factor in social change.

Conditions Governing Access
This collection is open for research.

Conditions Governing Use
Copyright is assigned to the San José State University Special Collections & Archives. All requests for permission to publish or quote from manuscripts must be submitted in writing to the Director of Special Collections. Permission for publication is given on behalf of the Special Collections & Archives. Copyright restrictions may apply to digital reproductions of the original materials.
