**Acquisition Information**
This collection was created by San José State University Special Collections staff from 2003-2004 as part of the Silicon Valley History Online Project.

**Project information: Silicon Valley History Online**
Silicon Valley History Online is a collaboration of seven institutions providing the first gateway to the major historical resources of this important California region. Images dating from 1800 to 2000 illustrating life in California's Santa Clara Valley were selected from the collections of the California History Center, History San José, Intel Corporation Museum, San José Public Library California Room, San José State University Special Collections, Santa Clara City Library Heritage Pavilion, and the Santa Clara University Archives. Items include photographs, ephemera, artifacts, maps and manuscripts. They were digitized as part of a one-year collaborative project funded by the Library Services and Technology Act (LSTA) administered by the California State Library. For more information please see the Silicon Valley History Online website at http://www.siliconvalleyhistory.org/about.html.

**Scope and Content of Collection**
The San José State University Special Collections collection includes photographs, manuscripts, and ephemera documenting the history of Santa Clara County, San José, California, and San José State University. The majority of images chosen for Silicon Valley History Online are photographs of individuals, businesses, San José street scenes and unusual events photographed by John Gordon.
