Biography

John Marsh was born June 5, 1799, in Massachusetts and came to California in 1836. He was a doctor. In 1839, he became owner of Rancho Los Medanos at the foot of Mt. Diablo near present-day Antioch, California. He lived a solitary existence, though taking some interest in politics and favoring California's incorporation into the United States. He was murdered September 24, 1856, on the road between his rancho and Martinez.
