Preferred Citation

Central Coast Power Plants and Environmentalism Collection . California Polytechnic State University - San Luis Obispo. Special Collections and Archives

Acquisition Information

Purchased.

Biography/Administrative History

Organizations represented in this collection are concerned with dangers to the community posed by power plants and with the dangers of nuclear power, weapons, and waste on national and global levels. These organizations promote peace and a nuclear-free and carbon-free world, as well as promoting conservation and the use of sustainable resources.

Scope and Content of Collection

1 box (.5LF) of materials created between 1980 and 1989 relating to power plants and the promotion of alternative energy sources and sustainable resources.
