**Scope and Content of Collection**

Includes 26 photographs in a souvenir album photographed by Claro G. Jansson, Uniao Da Victoria. The subject of this album is an all steam driven lumber mill somewhere in South America. There are photos of the steam locomotive switcher, the company housing, a fold out panorama of the entire mill including the company housing, the logging site with the small 2-8-2 locomotive. A number of photos inside the mill show the large circular saws, band saws, and the finished lumber in a large warehouse. [Album 142]
