reviews / ideas, letters of support, conferences / seminars, extra-professional activities, collections and ephemera. Finally, his work as a professor of librarianship and literature is demonstrated through his collection of personnel information, schedules, tests, class exercises, readings, student papers, notes and teaching aids.

In particular, this collection derives from Salmon’s office files which focus heavily on the instructional aids and resources pertaining to the History of the Book. This sub-series also features class proposals, syllabi, tests, readings and Salmon’s personal notes.

**Accrual Information**

No additions are expected.

**Publication Rights**

Copyright is protected by the copyright law, Chapter 17 of the U.S. Code. Requests for permission to publish, quote, or reproduce from collections must be submitted in writing to the Head of the Department of Special Collections and University Archives. Permission for publication is given on the behalf of the Department of Special Collections and University Archives, The Library, California State University, Sacramento as the owner of the physical item and is not intended to include permission of the copyright holder, which must also be obtained by the researcher.

**Access**

Collection is open for research. Some restrictions may apply.
