Biographical / Historical
The African Diaspora Sacred Music and Musicians (ADSMM) Program is an archiving, research and performance program of the CSU Dominguez Hills Music Department, implemented in partnership with the University Africana Studies Department and the University Library. The program is multidimensional, and includes the Georgia and Nolan Payton Archive of Sacred Music, the Dominguez Hills Jubilee Choir, and the African Diaspora Sacred Music and Musicians Network and Forum. The overall focus of the ADSMM Program is to collect, to preserve through archival acquisition and contemporary performance, and to research the life and work of African Diaspora musicians whose sacred musical art has been created and/or performed in Southern California.

The ADSMM Sheet Music Collection is an assemblage of sacred and secular music from several sources within the ADSMM, including the ADSMM Archive, the Don Lee White Collection, the CSUDH Music Department, and the Hansonia Caldwell Collection.
