Acquisition Information

Materials in this collection were transferred by the Chancellor's Office and other offices, and collected by archives staff. It is a growing collection. It appears that much of the Committee Collection was harvested from Board of Trustees Minutes prior to 1995.

Processing Information

Originally processing of the Committee of Faculty and Staff Affairs was done by Sandra Zafran, Intern Archives Fall 1986, under direction of Jacque Sundstrand, CSU Archivist. Text converted and initial EAD tagging provided by Apex Data Services, February 2001. Supplementary encoding and revision supplied by Xiuzhi Zhou.

Complete collection re-processed during 2004-2006 CSU System-wide Archives Processing Project.

History

The California State University System, formally established in 1960 by the Donahoe Higher Education Act. It is the nation's largest university system, with 23 campuses and seven off-campus centers, more than 400,000 students and 42,000 faculty and staff. The CSU is one of three public higher education systems in the state of California (the others are the University of California and the California Community College System). Since 1961 more than 2 million alumni have received a bachelor's, master's, and doctoral (Ph.D. and Ed.D) degrees from the university system. It offers more than 1,800 degree programs in some 240-subject areas.

Today's California State University system is the direct descendant of the California State Normal School (now, San Jose State University) established by the California Legislature on May 2, 1862. By 1895 there were four State Normal schools. In 1921, the schools were re-named the State Teacher's Schools. In 1935 the colleges were re-named the California State Colleges and were run by the State Department of Education. With the master plan created along with the Donohue Act, the California State Colleges were placed under control of the CSC Board of Trustees. In 1972 the system was renamed the California State Colleges and Universities. The term "Colleges" was dropped in 1982.

Responsibility for the California State University is vested in the Board of Trustees, whose members are appointed by the Governor of the State of California. The Trustees appoint the Chancellor, who is the chief executive officer of the system, and the Presidents, who are the chief executive officers of their respective campuses. The Academic Senate of the California State University, made up of elected representatives of the faculty from each campus, recommends academic

policy to the Board of Trustees through the Chancellor. Chancellors of the system include Buell Gallagher (1961-1962); Glenn S. Dumke (1962-1982); W. Ann Reynolds (1982-1990); Ellis E. McCune [Acting] (1990-1991); Barry Munitz (1991-1998); Charles B. Reed (1998-).

In adopting the Donahoe Higher Education Act of 1960, the State Legislature established the Board of Trustees of the California State College (designated "The California University" on January 1, 1982) to "succeed to the powers, duties and functions with respect to the management, administration, and control of the State Colleges." Prior to this, the State Board of Education had jurisdiction over separate colleges. The Board of Trustees governs the California State University system by: "Developing broad administrative policy for the campus; Providing broad direction and coordination to campus curricular development; Overseeing the efficient management of funds, property facilities, and investments by the system and the campuses; Appointing the Chancellor and the Vice Chancellors for the system, and the Presidents for the campuses as chief executives with certain delegated responsibilities; Communicating to the people of California an understanding and appreciation of the current effectiveness and the future needs of the California State University."

Under present California Law there are twenty-four voting Trustees. The Donahoe Act -which grew out of the recommendations contained in A Master Plan for Higher Education in California, 1960 -1975 -was added to the California Education Code as Division 16.5. Along with Division 18 of the Code, it defines the composition, appointments, terms, powers, and functions of the Board of Trustees.
