Oral History Collection. California State University Maritime Academy

**Acquisition Information**

Interviews conducted by Students and Staff

**Scope and Content of Collection**

Collection of Oral Histories conducted by the previous Archivist Larry Stevens as well as students of the California State University Maritime Academy. Interviews were conducted with Alumni, Faculty and former Presidents. Most folders include release documents, review of the interview if it was conducted by a student as well as a video recording. As of 2019 we do not have transcriptions of the any of the interviews.
