Preferred Citation
Materials relating to the building of a bridge at Bergerac, ca. 1768-1840, Getty Research Institute, Research Library, Accession no. 870536.
http://hdl.handle.net/10020/cifa870536

Acquisition Information
Acquired in 1987.

Scope and Content of Collection
Architectural plans, designs, proposals, explanations, estimates, specifications, correspondence, maps, and other supporting materials (the bulk falling around 1825) relating to the building of a bridge at Bergerac in southwest France (department Dordogne) and to the redesign of city streets to accommodate it. The collection apparently comprises a virtually complete archive of the project through the design stage.
