Accruals

Materials may have been added to the collection since this finding aid was prepared. To determine if this has occurred, find the collection in Stanford University's online catalog at [http://searchworks.stanford.edu/](http://searchworks.stanford.edu/). Materials have been added to the collection if the number of boxes listed in the online catalog is larger than the number of boxes listed in this finding aid.

Historical Note

The San Francisco Public Library opened in 1879 after the Rogers Act, which created a board of trustees and a property tax to fund the library, was enacted by Governor William Irwin. In 2015, the main library and 27 branch libraries make up the public library system of the city of San Francisco, California.

Scope and Content of Collection

This collection consists of pamphlets relating primarily to World War I and World War II in Europe, and some relating to 20th century European history in general. These pamphlets were collected by the San Francisco Public Library and bound into books based on their respective categories. The titles are those given by the Library.
