As written by Richard Cornuelle (Source): Folder 1 and 5, Richard C. Cornuelle papers, 1915-2011, Box 1, Hoover Institution Archives

Scope and Content of Collection

The collection documents the personal and professional life of Richard Charles Cornuelle. Materials in the collection include biographical and genealogical documents, correspondence, and various projects with which Cornuelle was involved, mainly from the Earhart Foundation and the J. M. Kaplan Fund or as an independent contributor. The collection also includes research files on various topics of interest to Cornuelle, some of which include: business, education, the independent sector, labor and workforce, and violence in United States.

Additionally housed are speeches and writings of Cornuelle and other individuals. Cornuelle's writings include numerous articles, papers, an unpublished manuscript entitled "Garet Garrett's Journal," as well as his published books: *Reclaiming the American Dream* (1965), *De-Managing America: The Final Revolution* (1975), and *Healing America* (1983). There are also articles written by Cornuelle that were featured in the *Times Literary Supplement*.

The symposiums and conferences section of the collection is comprised of files pertaining to events such as conferences, roundtables, and workshops attended by Cornuelle. The collection also contains a printed matter file, which includes various publications, journals, magazines, and annual reports collected by Cornuelle. Sound and video recordings include a compact sound cassette recording and various video recordings. Of special note is a VHS tape entitled "A Conversation with Richard Cornuelle," created by the Liberty Fund, Intellectual Portrait Series.

When possible the original folder titles and arrangement established by Richard Cornuelle have been retained.
