**Access**  
Collection is open for research.  
The Hoover Institution Archives only allows access to copies of audiovisual items. To listen to sound recordings or to view videos or films during your visit, please contact the Archives at least two working days before your arrival. We will then advise you of the accessibility of the material you wish to see or hear. Please note that not all audiovisual material is immediately accessible.  
**Publication Rights**  
For copyright status, please contact the Hoover Institution Archives.  
**Preferred Citation**  
[Identification of item], Education and World Affairs records, 1961-1971, [Box number], Hoover Institution Archives  
**Acquisition Information**  
Materials were acquired by the Hoover Institution Archives in 2015.  
**Accruals**  
Materials may have been added to the collection since this finding aid was prepared. To determine if this has occurred, find the collection in Stanford University's online catalog at [http://searchworks.stanford.edu/](http://searchworks.stanford.edu/). Materials have been added to the collection if the number of boxes listed in the catalog is larger than the number of boxes listed in this finding aid.  
**Biographical/Historical note**  
Education and World Affairs was a private American nonprofit organization created in 1962 to study, analyze, and assist in strengthening the international teaching, research, and service dimensions of colleges and universities in the United States. The organization is the predecessor of the International Council for Educational Development.  
**Scope and Content of Collection**  
Governing documents, minutes, correspondence, memoranda, reports, and printed matter relating to international education from Education and World Affairs, a private American nonprofit organization created in 1962 for the promotion of internationalism in education. Education and World Affairs is the predecessor of the International Council for Educational Development.  
**Subjects and Indexing Terms**  
Education--United States.  
International education.
