Photographs and Negatives 1941-1960

Scope and Contents

Includes photographs, negatives, and glass enclosed negatives dating 1941 to 1958. Photographs and negatives showcase the different agricultural regions Dodd visited. Further the photographs capture pivotal moments in Dodd’s life. Negatives capture the agricultural landscape from countries around the world. Majority of photographs are compiled into separate photo albums. Loose photographs have been removed throughout the collection and combined into one box.
