Access

Collection is open for research. Digital copies of select records also available at <https://digitalcollections.hoover.org>.

The Hoover Institution Archives only allows access to *copies* of audiovisual items, computer media, and digital files. To listen to sound recordings or to view videos, films, or digital files during your visit, please contact the Archives at least two working days before your arrival. We will then advise you of the accessibility of the material you wish to see or hear. Please note that not all material is immediately accessible.

Publication Rights

For copyright status, please contact the Hoover Institution Archives.

Preferred Citation

[Identification of item], G. Warren Nutter papers, [Box number], Hoover Institution Archives.

Acquisition Information

Acquired by the Hoover Institution Archives in 1981.

Accruals

Materials may have been added to the collection since this finding aid was prepared. To determine if this has occurred, find the collection in Stanford University's online catalog at <http://searchworks.stanford.edu/>. Materials have been added to the collection if the number of boxes listed in the online catalog is larger than the number of boxes listed in this finding aid.

Scope and Content of Collection

The papers of G. Warren Nutter, which consist largely of photocopies, relate to the calculation of industrial growth in the Soviet Union and to miscellaneous aspects of American defense policy. The **Writings** series includes drafts of *Growth of Industrial Production in the Soviet Union* and related statistical abstracts. The **Declassified U.S. Government Records** series contains formerly security-classified records and interfiled unclassified records relating to Southeast Asia, the Vietnam War, and the Prisoner of War/Missing in Action Task Force, as well as notes from meetings with Secretary of Defense staff, Secretary of Defense/International Security Affairs, and the Chairman of the Joint Chiefs of Staff and slides for a Department of Defense conference presentation.
