Accruals
Materials may have been added to the collection since this finding aid was prepared. To determine if this has occurred, find the collection in Stanford University's online catalog at http://searchworks.stanford.edu/. Materials have been added to the collection if the number of boxes listed in the online catalog is larger than the number of boxes listed in this finding aid.
Scope and Content of Collection
Relates to the reaction of the media and the government in the United States to the Jewish holocaust in Europe during World War II. Conference sponsored by the Harvard Divinity School, the Neimann Foundation, WCVB-TV, and the Anti-Defamation League of B'nai B'rith.
Speakers include Lenard Zachem, Dan Yankelovich, Angus Thuerner, Daniel Schorr, Richard C Hottelet, Irving Dilliard, David Ginsburg, Oscar Gass, Colonel Bernard Bernstein, Deborah Lipstadt, and Richard Breitman. Yankelovich, a social scientist, begins the conference by illustrating the state of Jewish relations in the U.S. through the use of polling data beginning in 1935. Subsequent speakers touch on such themes as xenophobia, isolationism, anti-Semitism, and the general disinterest from the press to stories of the Jewish experience, as told by Jews, during the war.
