Collection Summary

Title: T. H. Rittner reports

Dates: 1945

Collection Number: 92092

Creator: Rittner, T. H.

Collection Size: 1 manuscript box (0.4 linear feet)

Repository: Hoover Institution Archives

Stanford, California 94305-6010

Abstract: Relates to detention of ten leading German physicists in Great Britain from May to December 1945. Reports include transcripts of surreptitious sound recordings of conversations among the physicists, relating to German nuclear research during World War II, and to reactions to the use of atomic bombs on Japan. Photocopy.

Physical Location: Hoover Institution Archives

Languages: In English

Access

Collection is open for research.

The Hoover Institution Archives only allows access to *copies* of audiovisual items. To listen to sound recordings or to view videos or films during your visit, please contact the Archives at least two working days before your arrival. We will then advise you of the accessibility of the material you wish to see or hear. Please note that not all audiovisual material is immediately accessible.

Publication Rights

For copyright status, please contact the Hoover Institution Archives.

Preferred Citation

[Identification of item], T. H. Rittner reports, [Box number], Hoover Institution Archives.

Acquisition Information

Acquired by the Hoover Institution Archives in 1992.

Accruals

Materials may have been added to the collection since this finding aid was prepared. To determine if this has occurred, find the collection in Stanford University's online catalog at <http://searchworks.stanford.edu/>. Materials have been added to the collection if the number of boxes listed in the online catalog is larger than the number of boxes listed in this finding aid.

Location of Originals

Originals in: Public Records Office, London.

Biographical/Historical Note

Major, British army.
