Inventory of the Lelan Flor Sillin papers

**Title:** Lelan Flor Sillin papers

**Date (inclusive):** 1952-1985

**Collection Number:** 99021

**Contributing Institution:** Hoover Institution Archives

**Language of Material:** English

**Physical Description:** 104 manuscript boxes (41.6 linear feet)

**Abstract:** Speeches and writings, correspondence, minutes, reports, studies, manuals, and meeting materials relating to the electric and nuclear power industries and to environmental and energy policy in the United States, especially to activities of the Institute of Nuclear Power Operations, Northeast Utilities, Atomic Industrial Forum, Inc., and the Electric Power Research Institute.

**Physical Location:** Hoover Institution Archives

**Creator:** Sillin, Lelan Flor, 1918-1997

**Access**

Collection stored off site; a minimum of two days notice is required for use. Boxes may be requested through Stanford's online catalog at [http://searchworks.stanford.edu/](http://searchworks.stanford.edu/). The Hoover Institution Archives only allows access to copies of audiovisual items. To listen to sound recordings or to view videos or films during your visit, please contact the Archives at least two working days before your arrival. We will then advise you of the accessibility of the material you wish to see or hear. Please note that not all audiovisual material is immediately accessible.

**Publication Rights**

For copyright status, please contact the Hoover Institution Archives.

**Preferred Citation**

[Identification of item], Lelan Flor Sillin papers, [Box number], Hoover Institution Archives.

**Acquisition Information**

Acquired by the Hoover Institution Archives in 1999.

**Accruals**

Materials may have been added to the collection since this finding aid was prepared. To determine if this has occurred, find the collection in Stanford University's online catalog at [http://searchworks.stanford.edu/](http://searchworks.stanford.edu/). Materials have been added to the collection if the number of boxes listed in the online catalog is larger than the number of boxes listed in this finding aid.

**Biographical Note**

Lelan Flor Sillin was the chief executive officer and chairman of the board for Northeast Utilities from 1961 to 1983, and director and chairman for the Institute of Nuclear Power Operations from 1980 to 1985.

**Scope and Content of Collection**

Speeches and writings, correspondence, minutes, reports, studies, manuals, and meeting materials relating to the electric and nuclear power industries and to environmental and energy policy in the United States, as well as to activities of the Institute of Nuclear Power Operations, Northeast Utilities, Atomic Industrial Forum, Inc., and the Electric Power Research Institute.

**Subjects and Indexing Terms**

Atomic Industrial Forum.

Electric Power Research Institute.

Institute of Nuclear Power Operations (U.S.)

Electric industries--United States.

Energy policy--United States.

Environmental policy--United States.

Nuclear energy--United States.
