Title: American Institutes for Research reports
Date (inclusive): 1960-1987
Collection Number: 91023
Contributing Institution: Hoover Institution Archives
Language of Material: English
Physical Description: 50 manuscript boxes (20.8 linear feet)
Abstract: Relates to development and evaluation of educational programs and methodologies, career guidance and training programs, and study of human behavior in various specific aspects.
Physical Location: Hoover Institution Archives
Creator: American Institutes for Research.
Access
Collection is stored off-site. It may be possible to have a limited number of boxes brought to the archives reading room for examination. A minimum of two days notice is required. Please contact the Hoover Institution Archives for further information.

The Hoover Institution Archives only allows access to copies of audiovisual items, computer media, and digital files. To listen to sound recordings or to view videos, films, or digital files during your visit, please contact the Archives at least two working days before your arrival. We will then advise you of the accessibility of the material you wish to see or hear. Please note that not all material is immediately accessible.

Publication Rights
For copyright status, please contact the Hoover Institution Archives.

Preferred Citation
[Identification of item], American Institutes for Research reports, [Box no.], Hoover Institution Archives.

Acquisition Information
Materials were acquired by the Hoover Institution Archives in 1991.

Accruals
Materials may have been added to the collection since this finding aid was prepared. To determine if this has occurred, find the collection in Stanford University's online catalog at http://searchworks.stanford.edu. Materials have been added to the collection if the number of boxes listed in the catalog is larger than the number of boxes listed in this finding aid.

Historical Note
American non-profit institution for educational and social science research.

Scope and Content of Collection
Relates to development and evaluation of educational programs and methodologies, career guidance and training programs, and study of human behavior in various specific aspects.

Subjects and Indexing Terms
Education--United States.
Educational evaluation.
Vocational guidance.
Occupational training.
Behavioral assessment.

General Topics File
General note
There are no Project PLAN (670) reports in storage.

Box 1

F16. Higher education in the Dominican Republic, 1966 November
F23. Experimental investigation of attitude change procedures suggested by contrast and assimilation phenomenon, 1967 May
F27. Experimental design for comparing the effects of instructional media programming procedures, 1968 May
F29. Employee mental health and industrial nursing practices
Progress report #2, 1968 June
Progress report #3, 1969 July
F31. Effects of cylert (magnesium-pemoline) on physiological, physical proficiency, and psychomotor performance measures, 1967 August
F36. Parent education in positive mental health, 1968 May
F37. Community development training in Honduras, 1966 October
F43. Evaluation of Pittsburgh preservice training program for the National Teacher Corps, 1966 October
F44. Social requirements of successful work
  Report, 1969 April
  Progress report #2
  Final report
Box 2
F45. Development of a program to teach standard American English to speakers of non-standard dialects, Phase I: Investigation of speech problems among Job Corpsmen, 1967 January
F46. Exploration of oral/informal technical communication behavior, 1967 March
F49. Study in improving performance of complex tasks
  Report, 1970 January
  Report #4
  Report #8
  General Physical Description note: 2 copies
  Final report
  General Physical Description note: 3 copies
F57. Science information requirements of scientists: Feasibility study for determining requirements of biological information services and systems
  Report, 1967 November
  Technical reports #1, 2, 3, 4
  Final report
  General Physical Description note: 2 copies
Box 3
F59. Motivational effects of knowledge of results, 1969 April
F61. Vocational education in Siskiyou County, 1967 April
F63. Plan of action to be followed by contractors in developing each of four proposed multimedia courses of instruction U.S. Naval Academy, 1967 March
664. Troop-community relations in Thailand
  Progress report, 1969 April
  Progress report, 1969 July
668. Review of examination program of New York State Department of Civil Service, 1967 July
F71. Evaluation plan for Greene Joint Vocational School, 1967 September
F72. Identifying and formulating educational problems, 1967 December
F75. Telephone products and services for Bell System salesmen, 1969 April
F76. School community communication model: Specific behavioral concerns of the community for its youth, 1968 July
F78. Methods of presentation of national assessment to 9-year-olds, 1968
Box 4
F82. A systems analysis of the Subscriber Service Department, 1968 May
  Details of Medicare
  Reading the Medicare HIC
  Writing the letter
F83. Development of a comprehensive training program for managerial and professional personnel
  Second year progress report, 1968 October
  Seminar prog. professional and supervisory health care personnel
  Final report, 1968 April
F85. Study of training equipment and individual differences: The effects of subject matter variables
   Report, 1968 May
   Supplemental report, 1968 August
F87. Special education instruction materials center network: Pilot evaluation of two prototype centers, 1968 August
F91. Analysis and evaluation of present and future multi-media needs in higher education, 1968 June
F94. Trial and testing of experimental guidance curriculum, 1967 December
   General Physical Description note: 2 copies
F96. Evaluation of listening comprehension test of disadvantaged junior high school boys, 1968 June
   General Physical Description note: 2 copies

Box 5

G12. Preliminary definition of scope of future ERIC clearinghouses
   Report, 1968 April
   Analysis of content, dissemination, and use of ERIC materials, 1968 August
G18. Experimental evaluation of ELS teacher education program
   Report of the first formal tryout, 1969 April
   Skills inventory, 1970 February
   General Physical Description note: 2 copies
   Final report, 1970 February
G21. Study and evaluation: Self-concept improvement, teachers and students under Title III
   Interim report, 1967 November
   Final report, 1968 June
   General Physical Description note: 2 copies

Box 6

   Technical report #1, 1968 December
   Technical report #2, 1969 February
   General Physical Description note: 2 copies
   Technical report #3, 1969 December
   General Physical Description note: 2 copies
   Technical report #4, 1969 March
   Technical progress report #1, 1968 November
   Technical progress report #2, 1969 February
   Technical progress report #3, 1970 October
   General Physical Description note: 2 copies
G29. Review and redesign of Marine Corps engineer mechanics course, 1968
G30. Self enhancing education, 1968 September
737. Analysis of U.S. Army accident data, 1969 August
739. Sports as a social institution: A sociological analysis of some functions of sports in American society, 1969 October
750. Impact of economic, social, and political action programs
   Semi-annual progress report for March 1969 - August 1969
Second follow-up of village police program, 1970 November

G52. Study of selected exemplary programs for education of disadvantaged children
   Part I, 1968 September
   General Physical Description note: 4 copies
   Part II, 1968 September
   Scope and Contents note
   Both parts dated September 1968.

Box 8

G53. Ethnic group membership as moderator of job performance
   Technical report #1, 1970 April
   Technical report #2, 1970 September

G58. Development and evaluation of comprehensive career guidance system
   Technical reports #1, 2, 3, 5, 6, 7, 8
   Final report, 1970

761. Stimulating educational information-seeking and changes in student attitude
   toward vocational education by videotape and film presentations
   Final report, 1970 August

Box 9

762. Training program for Peru agricultural extension/rural development
   Final report, 1969 January
   General Physical Description note: 2 copies

764. 3-factor diagnostic test of word recognition for beginning adult readers
   Visual-audio test of word recognition for beginning adult readers, 1969 December

765. Report of evaluation of CAP project: Conceptual and perceptual development
   through curricular design
   Report, 1970 June
   Evaluation activities related to conceptual... Florida public schools (multiple copies)

767. Job corps language program, 1969

771. Maintenance technician's performance curves
   Interim report, 1969
   Monthly contract status reports #9-#17

772. Development of military planning process, 1969 June

774. Development of procedures for programming televised or filmed instructional
   units
   Final report, 1969 September

775. Assessing financial needs of higher education and fiscal capacity resources
   Final report, 1969 October

776. Study of training equipment and individual differences
   Progress reports #1-#15
   Study plan report
   Technical report: Research on interactive relationships among learner
   characteristics, types of learning, instructional methods, and subject matter
   variables, 1970 March
   Technical report: Research on interactive relationships among learner
   characteristics, types of learning, instructional methods, and subject matter
   variables (supplemental report), 1970 March
   Final report, 1970

Box 10

778. Requirements for simulating occupancy conditions of large protective shelters
   Report, 1970 August
   Feasibility of use of non-OCD sponsored large shelter occupancy tests for
   research, 1969 August
   Shelter habitability studies to determine effectiveness of a televised information
   program, 1969 August
   Model large individual shelter plans, final report, 1971 July
   Requirements for simulating occupancy conditions of large protective shelters
Quarterly progress reports: 1st, 2nd, 3rd, 5th, 6th
Exploratory study to determine effects of physical hazard... Final report
Phase 2, final report, 1971 June

779. Feasibility of installing and managing an underwater interpretive facility at Acadia National Park
Final report, 1970 February

797. Peace Corps training program for Paraguay: Agriculture and education, 1969 April

Box 11
801. Evaluation of Title III programs in Detroit public schools
- Report - 1st year's activities, 1969 December
- Interim report - 2nd year's activities, part I
- Interim report - 2nd year's activities, part II (technical supplement)
- Report - 2nd year's activities, technical supplement, 1970 August
- Report - 3rd year's activities, part I, 1970 September
- Report - 3rd year's activities, part II (technical supplement), 1970 September

804. Human resources development in Korea
Final report, 1969 October

805. Foundations for success in educating disadvantaged children
Final report, 1968 December

Box 12
810. Project ABLE
- 15th technical report, 1970 April
- Selected documents from 15th technical report
- Development and evaluation of experimental curriculum for New Quincy Vocational-Technical School, 1970 September
- Mathematics curriculum, 1970

815. Development of pilot performance references scales
- Progress reports (bound together), 1970

816. Final report to Centro de estudios de testes e pesquisas psicológicas during 1969

820. Effective use of mental health research information
- Final report, 1971 January
- Final report appendices

Box 13
822. Evaluation of Elson's programmed tutoring technique for reading instruction
Final report, 1969 March

827. Evaluation of So. Oyster Bay Supplementary Education Center
Final report, 1969 June

830. Study of further selected exemplary programs for education of disadvantaged children

General Physical Description note: 3 copies

833. Effects of contingency management and quasi-individual instruction on academic performance and attitude
- Progress reports
- Final report, 1970 November

Box 14
836. Longitudinal study of demonstration education programs, 1970 July
- Progress reports (bound together)

842. West African Examination Council
- Semi-annual reports, 1970 January-June, July-December; 1971 January-June
- Test development and research, final report, 1973 November

843. Project PACE (Police and Community Enterprise): Program for change in police-community behaviors
- Final report, 1971

844. Evaluating the potential of films for improving self-image in minority group children
- Interim technical report, 1969 December
- Progress reports (bound together)

845. Development of an information system for the medical uses of computers - MEDUCOMP
Final report, 1970 December
847. An investigation of attitude change
   Final report, 1972 November

Box 15

848. A study of selected programs for vocational education in secondary schools
   Final report, 1970 January

852. A survey of computing activities in secondary schools
   Final report, 1970 October

853. Trainee and instructor task quantification: Development of quantitative indices
   and a predictive methodology
   Final report, 1971 January

863. Exploratory assessment of CAP evaluation activities: Vol. 2, catalog of abstracts
   of evaluation studies
   Final report, 1969 November

864. The development of standards for driver training simulators, ranges, and
   modified cars
   Progress reports (bound together), 1970

867. The effects of caffeine on long-term visual monitoring
   Final report, 1970 April

   General Physical Description note: 4 copies

868. Analysis of factors underlying work stoppages at Alcoa/Warrick operations
   Final report, 1970 February

Box 16

879. Training project for Bonne Bell sales personnel
   Development of training materials for Bonne Bell sales personnel
   Interim report #1, 1970 March
   Interim report #2, 1970 September

   Technical report #1, 1970 November

882. Pornography and the sex offender: Patterns of exposure and immediate arousal
   effects of pornographic stimuli
   Final report, 1970 May

886. Swaziland curriculum and educational materials development, first semi-annual
   report
   Semi-annual reports, 1969 December 4 - 1970 June 30, 1970 July 1 - December 31,
   1973 July 1 - December 31

889. Community relations research in Korea: Eight-day cold war instructor’s clinic
   follow-up study, 1971
   Community relations research in Korea: One-day instructor’s clinic follow-up
   study, 1971

890. Preliminary report on the evaluation of attitude change resulting from
   participation in project TARGET
   General Physical Description note: (2 copies)

   Troop-community relations in Thailand, quarterly progress report, 1970

892. Personnel subsystem phase 1 test program for the Trunks Integrated Records
   Keeping System (TIRKS)
   Personnel subsystem testing for TIRKS, progress reports (bound together)

Box 17

893. Cooperative transnational research program in family planning behavior in
   Central and Eastern Europe
   Children born to women denied abortion, progress report #1
   Interim report, 1971 February
   Final report, 1971 June

894. Guidelines for the evaluation of developmental programs
   Progress reports (bound together)
   Final report, 1971 March

896. Development of a standardized battery of performance tests for the assessment
   of noise stress effects
Final report, 1971 April
10510. Development of poisoning information training materials for professional and paraprofessional personnel
Final report, 1970 August
10523. Factor analysis of the ability to comprehend time-compressed speech
Final report, 1971 April

20000. Marine Corps human relations training
Status report, 1971 December
The Marine Corps human relations program: A study in the institutionalization of social change
Final technical report, 1975 July

20300. Current approaches to comprehensive planning for youth development and delinquency prevention
Final report, 1971 January

20500. Psychosocial components of repeated abortion-seeking behavior in Hungary
Final report, 1971 July

20131. Effects of ancillary information upon photo-interpreter performance
Final report

20600. A method for constructing career paths to meet requirements of tomorrow's police force
Guidelines for examining and constructing police career path programs
Progress reports (bound together)
Technical report, 1971 March
Final report (multiple copies), 1971 July

20800. National program to encourage the use of restraint systems
Summary report on program feasibility for service clubs, 1971 February
Feasibility survey for rental companies, 1971 April
"Model" regulations for taxi-cabs, 1971 April
Summary of current safety belt programs of taxi cab companies and regulatory agencies, 1971 May
Progress report, 1971 May 31
Draft program kit for national service clubs, 1971 June
Program material specifications for rental car companies, 1971 June
Survey results of private companies, 1971 June
Progress report, 1971 July 1

20900. Computer-based instructional management system: The Conwell approach
Interim report, 1970 November

21200. Report of the technical advisory services provided to the regional center for educational innovation and technology (Innotech)
Quarterly reports #1, 2, and 5, 1970 May, June-September

Semi-annual report, 1970 December
Final report, 1971 July

Technical advisory services to Innotech
General Topics File

Inventory of the American Institutes for Research reports

Progress reports #8, #9
Progress reports #10, 13
Final report
The IMPACT system for low-cost primary education
Use of community resources in providing low cost primary education
Final report, 1973 November
Final report, 1975 July
21400. Cooperative longitudinal study of demonstration education programs
   Interim technical report #1, 1972 May
   Final status report: Implementation Phase, Year 2, 1972 May
   Report to the schools, 1972 October
   Verification of the longitudinal study questionnaire data, 1973 January
   Final status report: Implementation Phase, Year 3, 1973 May
   Interim technical report #2, 1973 June
   Progress reports (bound together)
   Impact of educational innovation on student performance: Project methods and finding for three cohorts (Project LONGSTEP)
   Final report: Volume I, 1976 April
   Final report: Volume I supplement, 1976 September
   Final report: Volume II, 1976 September
   Final report: Volume I appendices, 1976 April
   Final report: Volume II appendix report, 1976 September
   Final report: Volume I executive summary, 1976 April

21500. Study of job performance of worker-trainees
   Progress report, 1971 January
   Final report, 1972 July

21600. Planning, developing, and field testing career guidance programs
   A manual and report, 1972 June
   Progress reports (bound together)

21700. Evaluation of selected teacher training projects supported by the Department of Health, Education, and Welfare
   Progress reports (bound together)

21800. Effectiveness of educational laboratories and centers: A system for the evaluation of educational research and development products
   Documentation report: Results of the pilot test of the NCERD/OPPE products evaluation system, 1972 June
   Progress reports (bound together)
   Final report, 1973 February

21900. Selection and description of educational products for a study of the development and impact of such products
   Interim report #1, 1971 April
   Progress reports (bound together)
   Product development report #1: First year communication skills program, 1971 September
   Product development report #2: Hawaii English program, 1971 November
   Product development report #3: Intermediate science curriculum study, 1971 November
   Product development report #4: Science curriculum improvement study, 1971 November
   Product development report #5: The Sullivan reading program, 1971 November
   Product development report #6: The creative learning group drug education program, 1971 December
   Product development report #7: The Frostig program for perceptual-motor development
   Product development report #8: Science - A process approach, 1971 December
   Product development report #9: Variable modular scheduling via computer, 1971 December
   Product development report #10: Sesame Street, 1971 December
Product development report #11: Arithmetic proficiency training program, 1972 January
Product development report #12: Distar instructional system, 1972 January
Product development report #15: Materials and activities for teachers and children - The Match program, 1972 January
Product development report #16: Developmental Economic Education Program (DEEP), 1972 January
Product development report #17: Individually prescribed instruction - mathematics, 1972 January
Product development report #18: The Cluster Concept Program, 1972 January
Product development report #20: Facilitating inquiry in the classroom, 1972 March
Product development report #21: Program for Learning in Accordance with Needs (PLAN), 1972 January

Box 24

22000. Audio/video recording in pilot instructor training
Design for demonstration of an audio/video recording system in pilot instructor training
Progress reports (bound together)
Interim technical report, 1970 October
Final report, 1972 February

General Physical Description note: 3 copies

22300. A comparative study of proprietary and non-proprietary vocational training programs
Progress reports (bound together)
Final report - Volume I, 1972 November
Final report - Volume II: Appendices, 1972 November

General Physical Description note: 2 copies

22400. Development of course content and instructional materials/aids for the training of educational research, development, diffusion, and evaluation personnel
Final report, 1971 September
Supplementary final report, 1973 May

Box 25

22500. Early growth planning study for Project LSEE
Progress reports (bound together)
Interim report #1: A conceptual system for the classification of variables for the early growth planning study of the longitudinal study of educational effects, 1973 August
Interim report #2: A classification and listing of potential variables in the early growth planning study for the longitudinal study of educational effects, 1970 October
Interim report #3: A report on the collection of relevant information for selected potential variables in the early growth planning study, 1970 November
Interim report #4: Recommendations regarding the time at which an early age cohort might be started in the longitudinal study of educational effects, 1970 December
Interim report #5: The identification of critical variables for the early growth planning study, 1970 December
Interim report #6: The development of test and questionnaire items for the early growth planning study, 1971 August
Interim report #7: Early growth planning study listing of the source of information for each variable for which items were developed, 1971 October
Interim report #8: The design of tests and questionnaires for the early growth planning study, 1971 October

22600. Further examination of exemplary programs for educating disadvantaged children
Progress reports (bound together)
Final report, 1971 July
23100. Interim circuit order control system personnel subsystem test and evaluation
   Phase 1 TST report, 1970 September
   Appendices for Phase I TST report, 1970 September
   Phase 1 final report, 1971 February
   Phase 2 TST report, 1971 March

Box 26

24000. Effects of task index variations on training effectiveness criteria
   Technical report, 1972 October

24100. Mental health and retardation information and referral system: Requirements study
   Final report, 1971 July

24400. Development of a program for personnel subsystem test in BISP
   Progress reports (bound together)
   Position package test session guide (revised draft), 1973 November

24700. Selected functional components of a vocational education counseling system for urban youth
   Final report, 1971 November

24800. Development of a supplemental training program for advanced salesmen
   Phase 1 final report, 1972 April

25000. Evaluation of Project SEED: A conceptually-oriented mathematics program for elementary school students
   Final report, 1971 October

Box 27

25100. Evaluation of a science assembly program
   Final report, 1971 October

25300. TIRKS position test
   Final report, 1971 August

25400. Experimental assessment of an incentive program to enhance school learning: A pilot study
   Final report, 1971 July

25800. Allegheny County, Turtle Creek Valley model cities labor force, Phase II study
   Final report, 1972 June

26400. Psychobiological factors associated with monotony tolerance
   Final report, 1972 July

26500. Project TALENT
   Technical progress reports #2, 4-9, 1971-1973

26600. Preliminary proposal for an evaluation of two computer-assisted instructional systems
   Interim report, 1971 August

27000. Information seeking with multiple sources of conflicting and unreliable information
   Final report, 1971 September

Box 28

27400. ESEA Title I: A reanalysis and synthesis of evaluation data from fiscal year 1965 through 1970
   Informal progress report #1: An analytical review of the knowledge gained in five years of ESEA Title I about the education of disadvantaged children
   Final report, 1972 March

27700. A study of the operational feasibility of the apprenticeship work-study program for multi-site tryout and evaluation
   Progress reports #1, 2 (bound together)
   Final report, 1972 March

27800. Development of an apprenticeship work-study program model for the cross-training of physical scientists for work in educational research and development
   Progress reports (bound together)
   Final report, 1972 February

27900. The occupational health nurse and employee mental health: An evaluation study
   Final report, 1973 November
28401. Evaluation of the neighborhood educational center project in the Detroit public schools: A report of the fourth year's activities
   Final report, 1972 September
28404. Right to read
   Final report, 1972 September
28500. Feasibility of guidance, counseling, and pupil personnel services in employer-based career education
   Interim progress report: Feasibility of individualizing education in employer-based career education, 1971 October
   Interim progress report: Feasibility of guidance, counseling, and pupil personnel services in employer-based career education, 1971 October
   Final report, 1972 June
28600. Individualization of education in career education
   Final report, 1972 June
28800. Evaluation report of student support program - Minneapolis public schools
   Final report, 1972 July
30300. Changing schedules of work: Patterns and implications
   Final report, 1973 February
30500. Evaluation of Project SEED: A conceptually-oriented mathematics program for elementary school students
   Final report, 1972 December
30801. Improving reading comprehension: measuring readability
   Technical report #1: New techniques for measuring and improving reading comprehension, 1973 February
   Final report, 1974 May
31200. The investigation of shelter management and control in natural disaster
   Final report, 1972 December
31400. Effects of task index variations on transfer of training criteria
   Technical report, 1973 August
31900. Exploration of the generality of self-image materials across ethnic groups
   Final report, 1972 November
32200. Navy career motivation programs in an all-volunteer condition: I. A cognitive map of career motivation
   Technical report, 1973 March
32400. Selected functional components of a vocational education counseling system for urban youth
   Final report, 1972 September
32500. The use of incentives to enhance school learning
   Final report, 1972 November
32700. An introduction to financial management for Navy managers: Final evaluation report
   Final report, 1973 July
32900. The implications of a “see-saw” model of organizational effectiveness
   Final report, 1973 December
33300. The development of revised field evaluation forms for educational research and development proposals
   Final report, 1973 June
33700. A program for research on human performance
   Final report, 1973 June
33900. Career education curriculum development: Grades K-9
   Measuring dispositions toward the implementation of career education in the classroom
   Progress reports (bound together)
   Technical report #2, 1973 June
   Papers on a career education curriculum. Technical report #3, 1973 July
   Final report, 1974 October
34500. Educational evaluation of the Optacon (Optical-to-Tactile Converter) as a reading aid to blind elementary and secondary students
Progress reports (bound together)
Interim technical report, Phase I, 1973 September
Final report, 1974 September

34600. Planning, structuring, and evaluating practical career guidance for integration by non-college-bound youths
   Practical career guidance for the non-college-bound student: A review of the literature
   Case studies in practical career guidance. Reports #1-13, 1973 June
   Final report, 1973 June

34900. Project PLACE: A program of health career education
   Final report, 1977 June

35000. Careers in science: A Project TALENT study
   Final report, 1975 October

36100. Title VIII. Student support program: Minneapolis public schools
   Evaluation report, 1972-1973
   Interim evaluation report, 1973 February
   Final report, 1973 July

36600. Objectives, evaluation data, and case studies of the Temple City (California) differentiated staffing program
   Report, 1972-1973
   Final report, 1973 July

37500. Development of a procedure to validate physical tests, 1974 July

38300. A comparison of officer job content modules with activity groupings implicit in course design
   Final report, 1973 August
   The design of a system of job analysis for duty positions that infantry and quartermaster officers fill. Technical report, 1973 December

38400. Results of field survey to evaluate an experimental set of officer duty modules
   Groupings of similar positions by officer duty module applications and time (CODAP analysis)
   Technical final report, 1974 January
   Supplemental technical report, 1974 February

38700. The televote system for civic communication: First demonstration and evaluation
   Progress reports (bound together)
   Final report, 1974 September

39000. Technical support services for the Michigan Department of Education
   Development of objective-referenced test instruments for social studies, grades 4 and 7 and metric measurement, grades 3-4, 6-7, 9-10
   Development and validation of objective-referenced test instruments for entry-level first-grade children. Interim reports, 1974 August; 1975 June
   Final report, 1976 December

39100. Evaluation of the effectiveness of training devices
   Literature review and preliminary model. First interim report, 1974 March
   Evaluation plan for preliminary model. Second interim report, 1974 April
   Elaboration and application of the predictive model. Third interim report, 1974 July
   Evaluation of three burst-on-target trainers. Fourth interim report, 1975 February

39500. Quality of life as perceived by 30 year old Army veterans
   Progress reports (bound together)
   Final report, 1974 November
   Supplementary report, 1974 November

39600. Evaluation of an ink print reading aid for the blind: The stereotoner
   Progress reports (bound together)
   Final report, 1975 December
| 40400. Development of interactive dialogue modules that would provide junior officers with information about Army career planning policies, procedures, and strategies | Technical final report, 1973 December |
| 40900. Students as teaching resources | Final report, 1973 October |
| 41600. Evaluation of the impact of the film series *One to Grow On* on selected teachers and students | Final report, 1975 June |
| 41700. The effects of question type and question placement on problem solving ability from prose material | Final report, 1974 January |
| 41800. Going metric: An analysis of experiences in five nations and their implications for U.S. educational planning | Final report, 1974 February |

General Physical Description note: 2 copies

| 43300. Development of a ROTC/Army career commitment model | First year technical report, 1974 November |

General Physical Description note: 2 copies

| Development of a career commitment model | Third and Fifth Quarterly Progress Reports |
| ROTC-program determinants of cadets' career commitment, 1976 July | Subgroup differences in ROTC/Army career commitment and in commitment-related attitudes, 1976 July |

| 43800. Allocating resources: Priorities in mental health services delivery | Innovations: Volume 1, No. 1 through Vol. 2, No. 2 |
| Interim report (multiple copies), 1975 June |
| Box 35 |

| 44000. Methodology of the Project TALENT 11-year follow-up study | Progress reports |
| 44300. Design and validation of additional duty modules for engineer and ordnance officer positions | Final technical report, 1975 February |
| 44501. Replacing jobs with task clusters as the work unit for test validation | Final report, 1975 September |
| 45300. Project management needs and project management training: A review of the AID experience in Africa | Final report, 1974 November |
| 46800. Transfer training and skill retention | Final report, 1975 July |
| 47200. The impact of participant training on the attainment of development goals | Report No. 1: The study in Korea, 1975 November |
| Report No. 2: The study in the Philippines, 1975 November | Report No. 3: The study in Brazil, 1975 November |
| 47500. A validated program development model and staff development prototype for comprehensive career guidance, counseling, placement, and followup | Final report, 1976 January |
| 47600. Technical report of a conference on career decision making |
Technical report, 1973 May

47900. Acceptability surveys of CCEM curriculum units
   Interim report, 1974 November
   Dialogue with publishers concerning publication of revised CCEM career education units.
      Interim report, 1975 June
   Field test and data analysis plan and summary status report. Interim report, 1975 September
   Field test report: 130 career education modules, Part I. Final report, 1976 December
   Field test report: 130 career education modules, Part II. Final report, 1976 December

48000. Metric in service teacher training: Learning from the English and Australian experience
   Descriptions of selected metric teacher training programs underway in the United States
      Final report supplement, 1975
   Teacher training in the metric system: An overview of selected programs in the U.S.
      Final report supplement, 1975
   Progress reports (bound together), 1975
   Final report, 1975

48100. The vocational education curriculum specialist project
   Vocational education curriculum specialist (VECS) Modules 1 through 9
   Final report, 1977 January

48200. Development of scientific careers: The high school years
   Final report, 1976 August

48300. The identification and description of exemplary bilingual education programs
   Final report, 1975 August

48900. Critical requirements for safe-effective nursing practice, 1976

50200. Prototype job analyses of three supervisory positions within the New York City school system
   Final report, 1975 June
   Appendix A: Incident collection forms
   Appendix B: Job inventory checklist procedures...
   Appendix C: Reports of community school district visits...
   Appendix D: Judgments of minimally accepted standards
   Appendix E: Job inventory checklist response data

50300. Competency training for non-degreed professionals in alcoholism
   Interim report, 1975
   Final report, 1977

50600. Evaluating procedures for environmental sensing, orientation, and mobility by the blind
   Final report, 1976 February

50700. Guide to the development, evaluation and use of criterion-referenced tests
   Final report, 1976 August

51100. You don't have to love each other but...: Final Report of the Boston Schools Pilot Project
   Final report, 1975 July

51200. Duty module methodology for officer career management system development
   Final technical report, 1976 January

52100. Career education in the public schools, 1974-1975: A national survey
52800. Improving the consumer protection function in post-secondary education
   Consumer protection strategies: A literature review and synthesis
   Study design and analysis plan. Technical report, 1975 October
   Technical report 2, 1975 December
   System for collecting, analyzing, and sharing information on institutional consumer protection practices: Regulatory user guide. Technical report 3, 1976 September
   Final technical report, 1976 October

52900. Health career databank for minorities/women
   Final report: Longitudinal study of health careers from Project TALENT, 1976 May
   Annotated selected bibliography, 1976 May
   Design and feasibility study, 1976 June

53100. Improving vocational education services for handicapped students
   Final report, 1977 May

53300. Vocational training and placement of the severely handicapped
   Final report, 1977 June

53500. Identifying opportunities for improving the quality of life of older age groups
   Final report, 1979 June

53800. An audio digest system for communicating career education information
   Final report, 1976 June

54400. The link between learning disabilities and juvenile delinquency: Current theory and knowledge
   Final report and executive summary, 1976 April

54500. The current status of enlisted attrition in the U.S. Navy and in the U.S. Marine Corps and the search for remedies
   Final report, 1975 November

54800. Filipinos in the Navy: Service, interpersonal relations and cultural adaptation
   Final report, 1977 January

55300. Managing desegregation: A symposium of school desegregation in urban America, 1975

55400. Project TALENT: A short history of a l-o-n-g project
   Final report, 1977
   Technical appendices, 1977

55500. Impact evaluation for the project "Analysis and planning for improved distribution of nursing personnel and services"
   Final report, 1976 August

55600. Childbearing patterns, psychological traits, and the welfare of married couples
   General Physical Description note: 2 copies.

55900. Contraceptive attitude dimensions and the prediction of contraceptive behavior
   General Physical Description note: 2 copies.

56100. A study of special programs for children with specific learning disabilities
   General Physical Description note: 2 copies.

Final report, 1976 December
Appendix to the final report: Case studies, 1976 December
   General Physical Description note: 2 copies.
56700. Evaluation of Wiche's regional program for nursing research development
   Final report, 1977 September
   General Physical Description note: 2 copies.

58000. UDIS: Deinstitutionalizing the chronic juvenile offender
   Executive summary, 1978 January
   Final report, 1978 January

58500. An information processing approach to performance assessment
   Final report, 1978 November

58800. Evaluation needs assessment for LEAA's evaluation development program
   Final report, 1976 October

59300. Evaluation of project information package dissemination and implementation
   Interim report, 1978 April

59500. Research and development strategy on employment-related problems of older workers
   Final report, 1978 February

59700. Consequences of adolescent childbearing for the young parent's future personal and professional life
   Final report, 1977 June

59900. Development and implementation of a national metric education technical support program
   Final performance report, 1977 December

60200. Development of a preparatory reading program for visually handicapped children
   PREP: Preparatory reading program for visually handicapped children. Units VI-X
   Final report, 1978 July

60800. Overcoming barriers to mainstreaming: A problem-solving approach
   Final report, 1978 July

60900. Antecedents and consequences of the motivation for fertility control: A cross-cultural study of Filipino migrants and Caucasian controls
   Final report, 1977 November

61001. Process evaluation of selected WEEAP projects
   Executive summary, 1980 January
   Final report, 1980 January

61700. Title I, 1965-1975: A synthesis of the findings of federal studies
   Final report I
   Controversies in the evaluation of compensatory education. Final report II
   Summaries of major Title I evaluations, 1966-1976. Final report III
   Scope and Contents note
   These three reports dated July 1977.

63500. UYA measurement and analysis requirements: Evaluation, 1978
   Interim report, 1978 April
   Strategy handbook for volunteer supervisors, 1978 September

63600. Jobs for older workers in U.S. industry: Possibilities and prospects
   Final report, 1977 September

64400. Review of past educational projects in Liberia and recommendations concerning conduct of future EHR projects
   Final report, 1977 February

64700. Test revision recommendations for academic upgrading in the northwest territories
   Final report, 1977 March

65000. Developing consultation and education services for sexual assault
   Final report, 1978 May

65100. Final report on a study of the feasibility of the development of a standard system for describing job tasks
Box 44
