Biography

Daughter of the Russian statesman Petr Stolypin.

Scope and Content

This collection consists mainly of newspaper clippings relating to and photographs of M. P. Bok's father, Petr Arkad'evich Stolypin. There is a small amount of correspondence, as well as biographical material relating to Bok's husband, naval officer Boris Ivanovich Bok.

Detailed processing and preservation microfilming for these materials were made possible by a generous grant from the National Endowment for the Humanities and by matching funds from the Hoover Institution and Museum of Russian Culture. The grant also provides depositing a microfilm copy in the Hoover Institution Archives. The original materials and copyright to them (with some exceptions) are the property of the Museum of Russian Culture, San Francisco. A transfer table indicating corresponding box and reel numbers is available at the Hoover Institution Archives.

The Hoover Institution assumes all responsibility for notifying users that they must comply with the copyright law of the United States (Title 17 United States Code) and Hoover Rules for the Use and Reproduction of Archival Materials.
