Title: Carla Anderson Hills Papers
Date (inclusive): 1964-1993
Collection number: 77007
Contributing Institution: Hoover Institution Archives
Language of Material: English
Physical Description: 141 cubic foot boxes, 219 manuscript boxes, 1 oversize box (268 linear feet)
Abstract: Correspondence, reports, memoranda, speeches, and printed matter, relating to civil litigation involving the United States government, especially lawsuits involving President Richard M. Nixon; housing and community planning and development in the United States during the presidential administration of Gerald R. Ford; activities of the Republican Party, American Bar Association, and Alliance to Save Energy; and American foreign trade policy during the presidential administration of George Bush.
Physical Location: Hoover Institution Archives
Creator: Hills, Carla A., 1934-
Access
Collection is open for research. Collection stored off site; a minimum of two days notice is required for use. Boxes may be requested through Stanford's online catalog at http://searchworks.stanford.edu
The Hoover Institution Archives only allows access to copies of audiovisual items. To listen to sound recordings or to view videos or films during your visit, please contact the Archives at least two working days before your arrival. We will then advise you of the accessibility of the material you wish to see or hear. Please note that not all audiovisual material is immediately accessible.
Publication Rights
For copyright status, please contact the Hoover Institution Archives.
Acquisition Information
Materials were acquired by the Hoover Institution Archives in 1977, with additional increments thereafter.
Accruals
Materials may have been added to the collection since this finding aid was prepared. To determine if this has occurred, find the collection in Stanford University's online catalog at http://searchworks.stanford.edu. Materials have been added to the collection if the number of boxes listed in the catalog is larger than the number of boxes listed in this finding aid.
Related Collection(s)
