Title: International Council for Educational Development records

Date (inclusive): 1960-1994

Collection Number: 80192

Contributing Institution: Hoover Institution Archives

Language of Material: English

Physical Description: 487 manuscript boxes, 1 oversize box(204.3 linear feet)

Abstract: Reports, studies, conference papers, minutes, correspondence, memoranda, pamphlets, bulletins, and other printed matter relating to education, rural development, health, and family planning in developing countries.

Physical Location: Hoover Institution Archives

Creator: International Council For Educational Development.

Access

Collection is open for research. Boxes 357-604 are stored off-site. It may be possible to have a limited number of boxes brought to the archives reading room for examination. A minimum of two days notice is required. Please contact the Hoover Institution Archives for further information.

The Hoover Institution Archives only allows access to *copies* of audiovisual items. To listen to sound recordings or to view videos or films during your visit, please contact the Archives at least two working days before your arrival. We will then advise you of the accessibility of the material you wish to see or hear. Please note that not all audiovisual material is immediately accessible.

Publication Rights

For copyright status, please contact the Hoover Institution Archives.

Preferred Citation

[Identification of item], International Council For Educational Development records, [Box no.], Hoover Institution Archives.

Acquisition Information

Materials were acquired by the Hoover Institution Archives in 1980.

Accruals

Materials may have been added to the collection since this finding aid was prepared. To determine if this has occurred, find the collection in Stanford University's online catalog at <http://searchworks.stanford.edu/> . Materials have been added to the collection if the number of boxes listed in the catalog is larger than the number of boxes listed in this finding aid.

Historical Note

American institution for the public benefit to advance education worldwide by promoting, sustaining and increasing individual and collective knowledge and understanding of all aspects of educational development in higher education.

Scope and Content of Collection

Reports, studies, conference papers, minutes, correspondence, memoranda, pamphlets, bulletins, and other printed matter relating to education, rural development, health, and family planning in developing countries.

Boxes are numbered 1-240, then 357-604.

Subjects and Indexing Terms

Rural development.

Birth control--Developing countries.

Education--Developing countries.

Public health--Developing countries.
